Spring Musical Is First Written, Directed, And Produced By Students

"Change of Pace," an original musical comedy, will be presented in the Rhodes Auditorium, Thursday and Friday, May 19 and 20 respectively. It is the first play ever written, directed, and produced by Rhodes' students.

The writers of the "Change of Pace," Noreen Bonk, Beverly Labaj, and Dale Karp, are adding a good deal of color and humor to it with the many parodies of modern songs. In fact, the majority of the songs will be parodies.

Students Help **Buy Projector**

You've witnessed it. You've been there when the lights were flashed out and on and then out and on again. You've added your moan to the general groan of the class. Now you've contributed to the elimination of the mechanical difficulties whch were the repeated interruptions of your classroom movies.

Donations of ten cents or over that were accepted for the privilege of viewing movies of the 1948 World Series in which the Cleveland Indians participated amounted to \$97.91. This money will be used to offset the price of the new DeVry classroom projector recently purchased. The remainder of the cost will be paid out of the general school fund.

To be used by any of the school's departments, the projector is operated by the Visual Aids Club under the supervision of Mr. Stevens.

Little Yo-Yo Presents Problems

Yo-Yos May Be Crazy, But They Sure Are Fun And Disproves Law of Gravity

By Dolores Pukach and Diane Eckert

If you don't own a Yo-Yo, you are missing one of the greatest joys life has to offer. Ah, to skip down the hall, gaily manipulating a Yo-Yo. This is really living. (paid Ducan advt.)

Don't look down your nose at Yo-Yos, saying they are only for juvenile-minded people. It takes a great deal of skill and dexterity to do justice to this great American activity.

There are two ways of using a Yo-Yo. You can just drop it and see what happens. But the scientifically - inclined people take more precaution. After getting accurate reports of barometric conditions, wind velocity, and temparture, they skillfully lower the Yo-Yo at a 180 degree angle, certain that all will go well.

As for the Yo-Yo's scientific

significance, Dr. Y. O. Einstein, noted Yoyologist, says, "Yo-Yos disprove the law of gravity. I say what goes down must come up."

All this brings up the question of shall you own your own Yo-Yo, or shall you rent one? Yo-Yo enthusiasts will become very heated over this question- and it is an important one. Some maintain that it gives you a feeling of independence, of security, of importance when you own your very own Yo-Yo. Others (especially the legally-minded) say that if you hit someone in the face with a Yo-Yo, if you don't own the Yo-Yo, you can't be forced to buy that person another face.

The inventor of the Yo-Yo probably would have made a fortune if they hadn't locked him up. Here is inspiration, Youth of America! Maybe you can invent something crazier than a Yo-Yo and get free room and board for the rest of your life. I am now working on a flying saucer with an elastic band.

Jack Kernohan, 9A, of 303 insists that if it isn't a Duncan it isn't a yo-yo. Jack's favorite trick is the "man on the flying tra-

with Jack in his choice of a Duncan. He enjoys doing "Round the World."

Robert (Blackstone) Burns 9A of 116 says that next to his magic his yo-yo brings him the most enjoyment.

Although unofficial it has been heard that a yo-yo contest may be held to determine which of the champs is really champ. If this is true, the Review will support Jack Kernohan.

Personally Speaking About

N. H. S. Inductees

by Janyce and Caryl

A student is eligible for membership in the National Honor Society if he has maintained an average of eighty five per cent for five semesters and has shown qualities of scholarship, leadership, character and service. On April 20, twenty seven students were inducted into this organization.

Margot Buchwald has added the N. H. S. to her list of activities which include German Club, F. T. A. Band and Orchestra Club and craft chairman in Senior Y-Teen. "Mitzi" is also recovering for her part as the mother in "Dear Ruth." Norman Prahst the father in "Dear Ruth" was slowly recuperating from his efforts in the spring play when his name was called in the auditorium for the N. H. S. Norm is a member of the Sigma

With the induction of Dorothy Vogel and Arlene Walter homeroom 109 had a lift of spirit. They thought they all might graduate without having one of their girls in the Society. Arlene is also active in the Leaders Club, Citizens Club, F.T.A., Student Council, and is secretary of Senior Y-Teen and treasurer of the 12A class. Dorothy is a member of the Latin Club, F. T. A., Foreign Affairs, Rhodes Review, and secretary of Citizens Club.

Two other members of the Rhodes Review staff who can add this honor to their activities are Helena Cleber and Dolores Pukach. Helena also participates in the Citizens Club and Senior Y Teen. Dolores, a 12B, belongs to Senior Y. Teen.

The N. H. S. is getting their share of athletes this semester with Art Leissa, Dick Musall, and Jim Dienes. Art, besides his interest in track, sings in the Choir and Boys Octet, and is a member of Citizens Club and French Club. Dick, who was co-captain of the football team, was also active in wrestling and track. He is treasurer of Boys Leaders, and belongs to the Sigma HiY and Citizens Club. Jim participated in track and basketball in addition to his interest in the Boys Leaders, Latin Club, and Citizens Club.

Elaine Chabek, a member of Senior Y Teen declared that getting into the Honor Society was the nicest thing that ever happened to her. Gerry Koran and Margaret Kluever were two other surprised and thrilled girls. Gerry, a member of Y Teen and the Band and Orchestra Club was speechless. Margaret, a 12A, claimed that someone pulled a joke on her because her name was the last one read. "It had me a little worried," she confessed, "when they went right through all the 12A and 12B names without reading mine."

Dave Kopen couldn't quite explain his reaction when walking up to the stage after his name was called. He said his mind felt blank or something (that's not a good start for the NHS!) Dave devotes his extra time to being a noon movie operator and also to the Latin Club and Sigma Hi Y. * *

Jim Vamos and Ron Brockway, two more 12B inductees, are both members of the 12B social committee. Ron also was a member of the reserve football team. The other two 12B's inducted are Jim Lucas, a member of Sr. Choir, band, orchestra, Boys Leaders, and the reserve football team, and Millie Schuller, a German Club, Girls Leaders, and FTA member.

There were ten members of the 11A class inducted into the NHS. Marilyn Lang and Janet Sommer are both members of Sr. Y Teen and former members of the Library Club. Marilyn is also treasurer of the Student Council and a member of the Band and Orchestra Club and Glee Club. Janet belongs to the German Club.

Seven 11A Latin Club members are now members. Two of these are Billie Serpas and Dan Rak. Musically inclined Mike Zaretsky is a member of the Boys Octet, Sr. Choir, and a former member of the orchestra besides holding membership in the Latin Club. Two more club members are Marilyn Pasek and Ruth Bryan. Marilyn is also a Student Council representative and Ruth is a Glee Club and Y Teen member.

Gertie Branstadt, a member of the Rhodes Review staff is also a member of Latin Club, Foreign Affairs, and Y Teen. John Brainard is another 11B member of the Latin Club. John plays reserve football, is a track team member, a Boys Leader, and a member of the Sigma Hi Y. Laurel Fuelling and 11B, is a member of the Library Club, German Club, and Work and Win Club.

Results of the F. T. A. election were announced at a committee meeting last Tuesday. President for this year is Norma Vlasak. Aiding her will be Vice-President Gwen Wood. Election for secretary and treasurer will be held in the near future. Plans are now under way for Students' Day in May.

On May 14, a small group of Girls' Leaders will travel down to Kent State University to participate in Kent's annual play day activities. A tour of the campus is planned.

A Play Day for the girls of John Marshall, Parma-Schaff, South, Brecksville and Garfield is on the agenda of the Girls Leaders Club. Marillyn Nass, and her committee of Jean Wolff, Norma Vlasak, Lois Kozminski, Virginia Ruffing, and Milly Schuller, are taking care of all the arrangements. Date set for the occasion is May 3.

Congrats to the eight brave souls who survived the recent Latin Club initiaton. The new members who were formally accepted as new Romans were Ann Sheridan, Patricia Mate, Martha Gregor, Mike Cheselka, Joan Jedacek, Pat Leine, Sally Wein and Joe Rocco. Track Team Scores Impressive Victory Over Lakewood, 62-56

By Stan Kmiecik

The Rhodes High tracksters opened the 1949 outdoor track season, Friday April 22, on the local oval by defeating Lakewood 62-56. Both teams copped seven firsts, and six seconds, but Rhodes took seven thirds to four for Lakewood.

A clean sweep was made by the locals in the high hurdles. Herrmann, Meehan, and Newman crossed the finish line in that order giving Rhodes 15 pointers. However, in the low sticks, Herrmann took first followed by two Lakewood gents. Dosky finished first in both the 220-yard and 100-yard dashes. Steenstra finished second in the 100-yard dash and third in the 220-yard dash.

In the mile run, Priest of Lakewood, champion crosscountry runner broke the tape at 5:04, Dale Bussman, promising sophomore, finished second. In the half mile run, Richardson kept the scoring alive by finishing third. Kondusky if Lakewoods crossed the finish line at 2:14.5. The Rhodes 880-relay team of Karras, Ondrich, Steenstra and Dosky beat out the Lakewoodites, accounting for five more tallies. Thet mile relay was copped by Lakewood; the winning time was 3:42.9. The greatest defeat for the locals came in the 440, when no Rhodian placed.

In the field events the teams were evenly matched, for both took two firsts and tied one. The pole vault was taken by Burke of Rhodes, with Rocco finishing third. The winning height stood at 10' 3". Diennes tied with Butler of Lakewood in the high jump. Cirbes and Guzik, both Rhodians tied for third. Vavrock then put the shot 39'11" to cop first in the shot put, Sestito finished second. The order was reversed in the discus, with Sestito finishing second, and Vavrock third. In the final event of the day, the broad jump, Jim Diennes tied for second.

From the showing the boys made on friday, expectations for the Urichsville Relays are high.

Jim Dienes who high jumped for Rhodes during the indoor season will do the same in outdoor track this year. Skipping the bar with Jim will be Tom Cirbes a new comer, who is a fine leaper. Chuck Jones and Roland Froby also will be doing some good jumping this year.

Along with Dosky in the 440 will be Dick Schmaltz a very tough man to beat along with Leissa who will round out the event.

Sophomore Dale Bussman has great talent and is improving rapidly in the mile and will be aided by Ed Gustawes and Roy Matuska.

This season, with Dale Bussman concentrating on the mile, Ralph Klem, Gordon Richardson and Don Glaiser will work the half mile jaunt.

In the 220 and 440, George Kanas has shown promise lately and probably will come near to hitting his peak this year. Senior Bob Merkle will run along with Karras in the 220 and 440 dashes. Sophomores Chuck Missing and Mike Cheselka will be fighting for berths on the varsity and probably will land jobs in the 220 and 440-yard class.

the House of David hoopsters will play the Harlem Globe Trotters in basketball. The boys will be all decked out with beards, sideburns, and black faces so identifying them will be quite a puzzle. These boys are the ones participating in this event. Also on the docket will be a hockey game between the Toothless Wonders and the Bloody Rebels. It will be played with brooms and volley ball with football helmets for protection.

For the Toothless Wonders it will be "Skinny" Musall at right defense opposite "Yudo" Vavroch, "Strangling" Schmidt and "Erin" Brugh playing left defense with "Crushing" Karras "Flash" Kruggel at right wing. "Peanuts" Pawal at left wing opposes "Half - Nelson" Hilty. "Vinegar" Kolb and "Beetle Bomb" Bewley are the goalies and "Biceps" Brainard and "Cuestick" Klamet will battle at center "ice."

Saturday, April 30, will find the Rhodes harriers at Urichsville, Ohio, running against top notch teams from all over the state. Readin' and Writin' are fun too!

AWAY back in the year 1635, the first "little red school" was started in the Massachussetts Colony. THINK OF THAT! — Only fifteen years after the Pilgrims landed in a wilderness, these hardy pioneers started the FIRST FREE PUBLIC SCHOOL. We can picture the teacher there, probably sort of an "Ichabod Crane" type, with tight knee breeches and a long black frockcoat. But he was "looked up to" in that small village because HE was the TEACHER — HE could READ AND WRITE

The years passed, then along about 1716, that very same "little red school" had an unusual pupil. Of course, it was then called "Boston Latin School," and the student, son of a humble candlemaker, was destined to become one of the world's great men, BENJAMIN FRANKLIN, printer, philosopher, inventor, soldier, statesman—and founder of an academy which later developed into the great University of Pennsylvania. Incidentally, HE STARTED THE FIRST PUBLIC LIBRARY TOO.

And so today we have literaly THOUSANDS OF SCHOOLS AND FINE TEACHERS in this great land of ours. Anyone can have an education — COLLEGE TOO! Why there are scores of colleges where our youngsters can, if necessary, "work their way" through school.

OPPORTUNITIES?

SURE, WE'VE GOT OPPORTUNITIES APLENTY! One of the finest sights we've ever seen was the old Italian immigrant's face when he said, "My boy, he's American, he learn to read an' write, he's a gonna get a college educach."

BUT WE'VE GOT SOME RESPONSIBILITIES TOO. We must raise our teachers' salaries, for thousands are leaving the teaching profession because of low salaries. We must raise local school building funds to meet great enrollment increases. Finally, we must really TAKE AN INTEREST in our schools — visit them, get acquainted with the teachers, learn what is being taught and encourage the perpetuation through education of our American Way.

Y-Teens Back School Dance

The social life of Rhodes took its first toddling steps last Friday night, April 22, when the Senior Y-teen held the first dance of the semester in the boys gym.

Music for the Tulip Twirl was furnished by Bill Woodring's band. Although the dance was called the Tulip Twirl, there were few tulips in view. The decorations consisted of criss-crossed pastel streamers across the ceiling. This dance had one distinction which made it differ ent from other dances held at Rhodes — for once everyone was dancing.

A certain party wants to know what that famous ditty "Cigareets and Whusky and Wild, Wild Women" has to do with the Boys Leaders.

Marilyn Nass drives well—in other people's cars over other people's tree lawns and curbs.

Dick "First Aid" Musall should make a good M. D. —women patients only. He's a good dressmaker too.

To what "field" is the Citizen's Club going to take a trip?

Fashion expert Irene Papuga predicts a great future for orchids worn on tee shirts.

Yo-yos are certainly having their ups and downs this season.

And Allan Ott doesn't think that a remark made by a certain Rhodian "was very nice", besides how far can a car go?

Household Hint of the Week: Mary-Ann Janka doesn't recommend Old Dutch Cleanser for removing easter egg dye from the face. Just call her 'scar-face.'

And a good time was had by all at the Honor Society party followed by a party.

Two who were once on quite cozy terms have been seen keeping company again, but they say they only want to be "friends."

Neatest trick of the week:

Art Guilford and company going to the library on Wednesday night ... makes a great excuse anyway, huh boys?

What's this we hear about Joe Sestito and Bob Rudolph planning a boxing and television show?

Has everyone seen the "pretty" (phew) brown dog that walks over the desks in room 219......

Thank you Ronald Nieman. Signed F. (fool) Fox, County Jail.
